Dear Matalco customer,

Subject: DFARS Compliance of Matalco's Products

This letter shall serve to confirm that all Matalco Aluminum products manufactured in North America comply with section 252.225-7014 (Preference for Domestic Specialty Metals) of the Defense Federal Acquisition Regulation Supplement ("DFARS").

DFARS 252.225-7014 requires specialty metals incorporated into items sold to the Department of Defense to be melted in the United States. The clause, however, does not apply to specialty metals melted in a qualifying country or incorporated in an article manufactured in a qualifying country. The qualifying countries are Australia, Belgium, Canada, Czech Republic, Denmark, Egypt, Germany, France, Greece, Israel, Italy, Luxembourg, Netherlands, Norway, Poland, Portugal, Spain, Sweden, Switzerland, Turkey, United Kingdom, and Northern Ireland.

Therefore, Matalco certifies its compliance.

Sincerely,

Ashley Jacoby
